Pastoral Nominating Committee Report – Update

We continue to match our *Church Information Form* through the denomination's website system with prospective pastors who's *Personal Information Forms* meet our search criteria as approved by Session. As we review the 8-10 pages of information on each person, we select those who we feel fit our congregations' needs well for further exploration. In addition to evaluating records for **over 50** prospects so far, we're reviewing additional information and listening to Sermons for those we've selected as good prospects. We ask that you keep us in your prayers as we work diligently to identify our next pastor.

The July issue of the Tower Bell is now online at www.fpcsouthbend.org and in your email boxes. Paper copies may also be picked up in the Narthex or on the table near the Chapel. You may email your information to btlyer@fpcsouthbend.org. The deadline for the next issue will be **July 21**.
