

Pathfinders

*God's Word is True
God's Word is Comforting
God's Word is Life Changing*

Join us on a Journey of Faith to find God's path for us

How will we, the congregation of First Presbyterian Church of South Bend, seek to discern God's call and follow the path God has laid out before us? We have accepted the Presbytery's invitation to participate in a journey with other congregations to seek our path through Bible study.

May trust invite us to explore this path and wisdom be present in our discovery.

Dates:

Congregational Bible Study through current small groups—September-November
Conference on the Past—September 26
Conference on the Present/Pot Luck—November 14
