Gather & Give Thanks

We *gather* close on this day,
With *thankful* hearts along the way.
We *share* our food, our smiles, our cheer,
And hold the ones we *love* so near.

We *laugh* about the days gone by,
While *autumn* leaves go drifting by.
We pause to see how *blessed* we are,
With loving *hearts* both near and far.

For every *hug* and helping hand,
For those who always *understand*.
Together now, our *hearts* can say,
We give our *thanks* this special day.

May this *Thanksgiving* bring us *closer*
and give us even more to be *thankful* for.
